Election Time—Get Ready to Vote

If you have been following the debates and the commentary on TV, you know we are in election season. For the Challengers, we elect our officers annually at the October meeting. Maury Hudson, Chair of the Nominating Committee, announced the nominees at the September meeting. All of the current officers, with the exception of Margaret Arnold, have agreed to run again. Russel Buck has agreed to run for Margaret's position. Of course, there can be others who might be nominated from the floor during the meeting. Please plan on attending this important meeting.

Margaret has served tirelessly and with great honor as National Director for many years. She and William have travelled the country, at their expense, to represent The Challengers at many national meetings, and she has always fought for us with a strong and convincing voice. She is well known and respected by the National Officers and fellow Directors. We cannot thank her enough for her exemplary service.
